Mr. David Kairys

1427 Walnut Street
Philadelphia, Penn 19102

Dear David:

In line with our telephone conversation this afternoon, I am enclosing the affidavit of Mr. Donald Chamberlain, the Inspector General of the Central Intelligence Agency.

You have also asked that the claim filed by the family of Frank R. Olson be expeditiously disallowed in light of Assistant Attorney General Rex Lee's earlier conversation with you. I have brought this to the attention of the Office of General Counsel and they will call you the day the claim is disallowed and a letter to that effect is put in the mail to you.

Cheers,

Signed

Mitchell Rogovin
Special Counsel to the Director
